# Speciality Lubricants from Germany, since 1834

**BECHEM**  
LUBRICATION  
TECHNOLOGY

## High Performance Metal Cutting Fluids

- Least consumption
- Long sump life
- Excellent corrosion protection
- Excellent surface finish
- Enhanced tool life
- Cleaner work environment

## Speciality Greases and Oil

- Plastic and noise dampening lubricants
- High speed lubricants
- High load greases
- High & low temperature greases
- Water resistant greases
- Synthetic gear and chain oils
- NSF approved food grade lubricants
- Electrical contact lubricants
